Dear HavaMega Attendees,

It is with great pleasure and excitement that we welcome you to Lake Havasu City for this historic and very exciting sailing event! We look forward to a fantastic week of racing and fun social events that will hearken back to the days of unfathomable numbers of sailors gathered here in the early 70s.

Please take the time to review this informative booklet for your schedule of events and maps and additional information about the locality. You'll find there is something scheduled nearly every day other than just the racing and you'll not want to miss anything. Please make note of the time and place for the HCA-NA General Meeting scheduled for Tuesday night. This meeting is open to all HCA-NA members, and we encourage attendance. The organizers have a huge Beach Party planned for Wednesday night, complete with grilled burgers at London Bridge Park, sure to be a hit.

I would like to say that we truly appreciate your attendance at HavaMega and would also like to mention our appreciation to all the volunteers that are making this event possible as well as all of our sponsors. Without the help of all these people to put on this event, we'd certainly not be able to enjoy such a great week of racing and fun. They deserve our gratitude, so please show your appreciation to these people when you see them. This is surely to be history in the making and we are very glad you are part of it. Enjoy your week, and fair winds.

Sincerely,

Chris Wessels  
HCA-NA Chair 2009

In the name of the Lake Havasu Yacht Club it gives me great pleasure to welcome the Hobie 88 and all Hobie fleet racers to the 2009 HAVAMEGA.

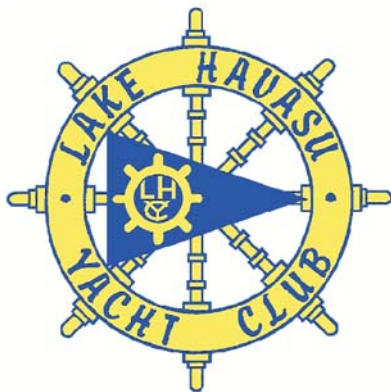

It has been several years since we have had the privilege of sponsoring such a fantastic undertaking. We hope that all of the participants enjoy our great city and beautiful lake.

It is our desire that all of our visitors enjoy being here as much as we enjoy having you here.

Let us hope for good winds and a lot of exciting races.

**Welcome Hobie Sailors**

I am very pleased to welcome all the participants in the HAVAMEGA Hobie Cat Championships of 2009. I hope you will explore all of the wonderful opportunities that Lake Havasu City offers its citizens, visitors and businesses.

Our resident population has grown to approximately 60,000 and signs of progress are everywhere you look. Our new regional lifestyle center shopping mall is now open and business is brisk. A new auto mall and other new and expanding shopping opportunities are also underway to serve the growing needs of our citizens. In addition, our new Business Park near the airport is now available for occupancy and a search for prospective tenants is underway.

The ever-popular Bridgewater Channel that meanders in the shadow of the world-famous London Bridge, as well as the commercial core of the city that we call "Mainstreet," are just two of the many subjects of a new and exciting redevelopment design effort.

While you are here, we are delighted to share with you the beauty of our area and the warm friendliness of our residents.

Once again, enjoy the lake, our city and the championships.

Sincerely,

Mark S. Nexsen

**2009**  
**HAVAMEGA**®  
**HOBIE CAT NORTH AMERICAN CHAMPIONSHIPS**

In the summer of 2008, I made the short trip down to Lake Havasu for the first time. In retrospect, I'm still wondering why I'd not gone sooner since I've lived in this region for eighteen years.

What I found was a winding desert road leading into the picturesque valley where Lake Havasu resides. Everywhere I went, the town was welcoming beyond any anticipation you could imagine. Whether we're talking about the Lake Havasu Yacht Club or the Lake Havasu Convention and Visitors Bureau and everyone in between, it was clear that they would welcome the Hobie Class back with open arms.

Ever since that time, we've been steadily planning for this fabulous event, to return to large Hobie racing events on the southernmost reservoir of the Colorado River system. It has been a great pleasure working with all who are laboring to make this a world class sailing adventure for the participants.

If you look back in the Hobie *HOTLINE*, you'll find issue upon issue with large articles about the huge Hobie events in Havasu during the heyday of Hobie Cat racing in the Southwest. Many who are coming this November have been there before in those years. Our Havasu & Hobie Reunited Regatta in February was the first time back again after a ten year absence. Once again, the colorful Hobie sails covered the lake. I can only say this: your attendance at HAVAMEGA will be part of history, bringing back a grand legacy of Hobiecat racing to Lake Havasu, and bringing it back with a bang! It has been an exciting year for me watching the registration numbers grow. Furthermore, it has been an even greater thrill to spend time on the phone, online and at regattas talking with everyone who is planning on coming. We'll have participants from throughout North America, as well as overseas.

Thanks to all of you who have been spreading the enthusiasm for this event, and for making plans to spend a week at Lake Havasu this November. I hope our party lives up to, or perhaps exceeds your expectations.

Cheers To You All,

Gordo Bagley  
HAVAMEGA Regatta Chairman

# What To Do in the Lake Havasu Area

With the lake, desert, mountains, parks and a thriving downtown center all within reach, Lake Havasu City is an ideal spot from which to launch an amazing range of activities. Within just a few miles exists an all-natural playground for those interested in whale watching, hiking, camping, off-roading, kayaking and walks led by naturalists.

The Lake Havasu itself possesses its own vast stretches of beautiful, uncrowded beaches, fishing and watersports. Meanwhile, Lake Havasu City's classic McCulloch Boulevard offers a mix of pleasing architectural styles and distinctive shoppings. Discover the relaxed, friendly and affordable offerings of this resort haven.
